Samtavro Monastery (Georgian: სამთავრო მონასტერი)

ox Christian monastery complex that combines Samtavro Transfiguration Church and

Nunnery of St. Nino in Mtskheta, Georgia. Built presumably in the 4th century b

y the King Mirian III, and reconstructed in the 11th century by the King George

I and Catholicos-Patriarch Melchizedek I, Samtavro is an important Early and Hig

h Medieval historical and architectural monument, and was inscribed on the UNESC

O World Heritage List in 1994 along other historical monuments in Mtskheta.[1] S

amtavro church is cross-in-square temple, with arches and other decorations typi

cal for the 11th century Georgian architecture. The graves of Mirian III and the

famous Georgian Saint monk Gabriel are located in the yard of Samtavro Church.[

1]

History [edit]

The monastery was constructed in the northwestern part of the old town

of Mtskheta. Unfortunately, no inscriptions remain to tell about its constructio

n time. According to the Georgian hagiographic sources the monastery was establi

shed in the 4th century, during the reign of the King Mirian III of Iberia, when

a small church was built here by Saint Nino in connection with conversion of Ge

orgia in Christianity. Mirian and his wife Nino were buried in the monastery.<
