The goal in craps is to predic

t how the dice will land. The table is played in rounds with two ph

ases in a round; the come out and point. Each player's turn to roll the dice

moves clock-wise around the table at the end of each round.

Craps can seem intimidating but it really

isn't that hard to play. In fact, you only need to understand a

few bets to get great odds and play like a pro. The most important bet to under

stand is the pass line bet. This bet is made by putting your chips on the pa

ss line before the come out roll .
