<p>The Making Of</p>
<p>There were so many new players the servers were having trouble keeping
 , up. I had to upgrade my matchmaking server twice because its CPU kept reaching its limit which would cause long , connection delays for players. Twice, I had to contact my hosting company, Linode, to get my account limit increased. Initially, , my account was only allowed to operate 50 servers at a time and I needed a lot more. Linode kindly , raised the limit to 100, but by the next day , I was already running 92 servers to keep all the , players online. Fortunately, they raised it to 200 and I implemented some changes to allow more players on each server, , thus not requiring as many.</p>
<p>It s safe to say that the global launch of Vortelli s has significantly exceeded my expectations. I m , eager to get to know the newly created Vortelli s community. I m really excited to see where this game will go. , I still have a lot to learn, but it s pretty thrilling to imagine all the new experiences I can create , for people to enjoy.</p>
