In plain English, the best Mexican league teams are better than their MLS counterparts. But in their lower tiers the two leagues are now competitive with each other.

MLS versus Liga MX: The group stage - The Philly Soccer Page : 2024/08/02 : mls-versus-liga-mx-the-group-stage

MLS uses a single table of 18 teams that play two annual tournaments (Apertura & Clausura)

the apertura tournament (opening tournament- running from July to December) followed by the clausura (closing running from January to May).
