Penalty Shooters 2 is a fun soccer game where you can pick your favorite team, try to win each match, as you climb up the ranks, and win the League.

In the game Penalty Shooters 2, you are given the opportunity to represent your favorite team and even the football team of a country. So be prepared mentally to make perfect shots. No one dares to say that being a footballer is easy, especially when you're going through a rough patch to get to this risky and mind-boggling penalty shootout. A long road is about to come to an end. And now is the time to show your resilience and strong will along with your superior level. Only one final match and victory will go to the most deserving.

Penalty kicks are always risky. But it is that nature that has brought the most attractiveness that other forms of competition never have. In the penalty shootout, the team that scores the most goals after the first five innings will be the winner. However, if one side successfully takes more penalties than the other side can achieve with all of its remaining kicks, the shootout will end immediately, regardless of the number of kicks remaining.
