<p>What is the origin of Fall Guys?</p>
<p>Fall Guys is a party battle royale with 3D platforming elements, inspired by famous contests such as Takeshi's Castle. The player has to overcome a series of crazy obstacle courses and mini-games, in which he will compete with dozens of other players. Those who manage to qualify in the successive rounds will reach the grand final, in which only one player can remain.</p>
<p>One of the great hallmarks of the proposal is its colorful and casual style. The game, developed by Mediatonic, is currently distributed by Epic Games.</p>
