In the game, Ghost and Roach are seen to be

betrayed by General Shepherd during one of the last missions. Both are shot by

the general with a .44 Magnum Revolver and then are incinerated to death. Although,

theories suggest Ghost may still be alive and up for a comeback.

44 Magnum. Ghost is last seen being thrown into a ditch along

with Roach. Although the player only sees Roach being covered in gasoline and set

on fire, Ghost is undoubtedly lit on fire along with him

(the soldiers would not have left unless they were sure they both were dead)
