What Does It Mean When Odds Are Negative?

Negative numbers (in American money line odds) are reserved for the favorite on

the betting line and indicate how much you need to stake to win \$100

you generally need to put down more to win \$100 on the favorite.

The negative number shows how much has to be risked to win a \$100

payout. Thus, if the money line for the team that you picked was

-400, it means that if you placed a successful \$400 bet, you would gain \$100 on

payout.
