Immerse yourself in the world of IO games with Paper IO 2, a browser-based online game that has gained immense popularity due to its simplicity and addictive action. In Paper IO 2, you can become a shape, shading in to extend over the entire area, pouring everything around with your color. The shape floats like a snake, leaving a trail of color behind it. If you paint a closed circle, you can add extra space to your area. Don't be afraid to conquer other people's territory, but be careful not to cross your own trail, as this will cause you to lose territory. Also be aware that an enemy can eliminate you while you are drawing your borders. The winner of Paper IO 2 will not only top the leaderboard, but will also receive a fantastic bonus.
