<p&gt;About game &#171;Age Of War&#187;&lt;/p&gt;
<p&gt;&lt;/p&gt;
<p&gt;Well, to be honest, the name of the newest Age of War game, whose main
objectives are to defend your own kingdom and vanquish the opposition, is very I
ame. Let $\#39$; attempt to explain our reasoning. The answer is straightforward:
after beginning the battle, we got so engrossed in it that we spent an hour or s
o working to solve the puzzle. What drew us in so strongly that it was challengi
ng to leave. The first is enjoyable since it introduces you to amusing character
s who are struggling to survive. The second is that we gradually moved into the
era of knights after the battles of primitive people with the aid of everyday we
apons like sticks and riders on dinosaurs, then there was the era of musketeers,
the era of common warriors with machine guns, the era of tanks, and the final e
ra - space warriors!</p&gt;
<p&gt;&lt;/p&gt;
<p&gt;You have a set amount of money at your disposal, which you can employ t
o build a sizable or merely numerical army. Additionally, there will be three di
fferent sorts of soldiers in every era save the last two, and four to five in th
e latter two. Tanks and super warriors will be present in the latter.</p&gt;
