The above-graph displays service status Activity for vanguardia over the last 10 days. The graph shows a significant spike in activity around the time of the outage, indicating a high volume of failed connections. The service status is currently 'Up', but it is recommended to monitor the system closely for any further issues. The outage was caused by a network connectivity issue, and the service is now fully operational. The system logs show a high volume of failed connections during the outage, which is consistent with the graph data. The service is currently stable and no further action is required.

Viva La Dirt League is the name of a New Zealand YouTube channel with a huge international following. Rowan Bettjeman, Adam King and Alan Morrison are the local boys done good, who have amassed more than four million Youtube subscribers for their distinct brand of 'nerd culture' comedy.
