Playtech has one of the most extensive selections of casino games. However, there is a big difference in Playtech's slots RTP. Therefore, I have made a list of all slot machine games with each Payout (RTP). That way, you can easily find the best-paying games below.

I have been playing Playtech slots since 2001 and was a big fan of the Marvel slots; unfortunately, they are not available anymore. However, Playtech has some other great slot games, and some have a high RTP.
