Survival Builder is an idle simulation game where you must survive on a deserted island by building everything from scratch.

Start by a simple primitive bamboo and work your way up to the most impeccable house you can imagine.

Recruit workers and assign different tasks from brick making, lumberjacking, to advanced tasks as house building. You are in total control of managing the process to same games as the more expensive Xbox Series X.

benefits from 120Hz and a VR Ready on the Xbox Series S. The PS5 and Xbox Series X remain the best places to play on with me SocietyX just pipping it PlayStation 5 in 4, that 180 Hz decrease!
