<p></p><p>When NetEnt bought out Red Tiger in a deal worth hundreds of millions; it didn't take long for the iGaming 🌟 world to envisage what mashups might pour forth from the amalgamation. NetEnt's illustrious back-catalogue combined with Red Tiger's Megaways license 🌟 quickly sprang to mind.</p>
<p>High on the wish list for a lot of players was Piggy Riches Megaways, which turned out 🌟 to be a highly playable game. Even dearer to many hearts is the second NetEnt classic to get the treatment 🌟 Gonzo's Quest. Well, it has happened, one of the most popular slots on the planet has been beefed up, 🌟 redesigned, remade, revamped, blessed a second life, whatever you want to call it, thanks to Big Time Gaming's popular Megaways 🌟 engine.</p>
<p>The first impressions are pretty much everything you would hope they would be. It's Gonzo, but a more modern, attractive 🌟 looking version. Everything is crisper, sharper, more defined, not to mention bigger. Thanks to Megaways, players get 6 reels, with 🌟 2-7 symbols on each. Win ways vary on every spin from 64 all the way up to 117,649. Megaways slots 🌟 typically use some sort of cascade mechanic, so Gonzo's inherent Avalanche feature suits it like a charm. Pour in some 🌟 sweet jungle sounds, and the playful antics of Gonzo himself by the reels and you can't help but smile at 🌟 the prospect of firing the game up.</p>
<p>Doing so requires selecting bets first. There isn't a huge range of options, but 🌟 enough to cover most requirements from 10 p/c toR\$/ <4 per spin. What cause the next shiver of delight are the 🌟 stats, starting with an RTP of 96% which is bang on average and actually higher than the original. Volatility is 🌟 also suitably high and has been paired with potential in excess of 20,000 times the stake. When it comes to 🌟 figures, Gonzo's could hardly be any better.</p>
<p>In a nice nod to the past, most symbols are the same as those 🌟 in the original. Though there are a few changes. For one, they look nicer. Secondly, a new mask has been 🌟 added to the top of the paytable, which is
