Highly recommended for CoD fans and people looking for a bit of mindless fun set in WW2. Even though the campaign is extremely predictable and the multiplayer is plagued with tonnes of issues, Call Of Duty: Vanguard is, after all, still a Call of Duty title, and will appeal to all hardcore Call of Duty fans.

TLDR The game Call of Duty: Vanguard is being unfairly criticized as a \$70 DLC, but the reviewer believes it offers significant improvements over previous games and is worth playing.
