Did you know your tape has an expiration date? While tape shelf life can last up to 5 years, most adhesive tapes last 1-2 years.

How Long is My Adhesive Shelf Life? - Strouse's blog : adhesive-shelf-life-length

Tape-in extensions can last six to 10 weeks with proper maintenance and at-home care. To remove, use a tape-in removal spray, which can be found at beauty supply stores or mass retailers such as Amazon, to loosen the adhesive and make it easy for the natural hair to be separated from the tape.
