[Call of Duty: Warzone Mobile](#) is a first-person shooter game developed by Infinity Ward and published by Activision. It is the mobile port of the Warzone franchise, which was previously only available on PC and console. The game is expected to release in Spring 2024, although the exact date is still under speculation. The game will feature the same core Warzone gameplay, including Battle Royale and Plunder modes, but with a focus on mobile play. It is expected to be one of the most popular mobile shooters of the year.
