&lt;p>What are the best 2 Player Games to play on phones and tablets?&lt;/p>

&lt;p>Cool 2-player games to play with your friends&lt;/p>

&lt;p>2-player &#129776; games are fun games designed for two people to share the keyboard and play together. So pull up an extra &#129776; desk chair, because here at Kizi you'll find all of the most popular two player titles like the Fireboy and &#129776; Watergirl series, the Money Movers adventures, and many more! In each of these games, the players each control one of &#129776; two characters using the arrows and WASD keys. Each character has unique abilities that complement the skillset of the other. &#129776; Choose your character and work together to clear all of the obstacles. You'll have to communicate with your partner to &#129776; solve each challenging puzzle level, because you won't make it without good teamwork. It's not enough for just one character &#129776; to reach the door to the next level, you both have to make it there. If one character dies along &#129776; the way, both players will have to start the level over!

&lt;/p>

&lt;p>Whether you're helping the two adventurers escape from a space &#129776; prison, navigating a dangerous temple full of deadly traps, or trying to reunite two lovers, communication is key! Each level &#129776; of these 2-player games is littered with levers, buttons, elevators, hatches, trapdoors, and dangerous enemies. Help each other along by &#129776; activating the right doors and machines by finding the matching buttons and levers. Sometimes only one of the two characters &#129776; will be small enough to crawl through a narrow passage or big enough to lift a heavy roadblock. Figure out &#129776; how to clear a path for your partner. At other times, you'll need to give each other a boost to &#129776; reach a particular platform, and fetch a crate or ladder for your teammate to use. Combine the strengths and weaknesses &#129776; of both characters in order to complete each level without dying!&lt;/p>
