Netflix licenses TV shows and movies from studios around the world. Though we strive to keep the titles you want to watch, some titles do leave Netflix because of licensing agreements. Whenever a TV show or movie license is expiring, we consider things such as: If the rights to the title are still available.

Make sure your TV or display is set to the correct video input source. Make sure your video cable or adapter supports HDCP 2.2. Try reversing the ends of the video cable or adapter. If possible, try connecting to a different video port on your TV or display.
