Prime Gaming, formerly known as Twitch Prime, is a reward system that Amazon Prime users can make use of. Essentially, the service partners up with games to deliver free rewards to players, so long as they have Amazon Prime. Of course, players can always sign up for a 30-day free trial, redeem the COD Mobile rewards and then cancel their subscription. With Prime Gaming offering rewards every few months, though, this might not be the best strategy, as you could miss out on other content.

However, whatever route players take, they will need to know how to redeem their Prime Gaming rewards in COD Mobile. You can read the guide below for a full step-by-step list on redeeming your exclusive rewards.

Redeeming Prime Gaming rewards in COD Mobile

For starters, players will need to be a current subscriber to Amazon Prime. If they are, then they can complete the following steps. As previously mentioned, this works for trial members as well as full subscribers.

The steps below will take players through redeeming their rewards in COD Mobile.
