it. Its fate is in your hands. It's up to you to protect the peace of Storm Land. Here

at friv online, you have only one tower to defend this land. You have to do everything that you need to do to protect it. So, the tower is placed in the center of the battlefield and there is a circle around the tower. Monsters approach your tower from all directions and once they enter the circle, your tower will automatically attack the nearest

Computers. A computer system purchased from hardware and software vendors, customized and put in working order by a firm that then sells the completed system to the client that ordered it
