<p>Minecraft Classic is an online version of the famous open-world sandbox  
building game. It is a remake of the original &#127877; Minecraft and was rele  
ased for its 10th anniversary by the developer Mojang. In the game, players can  
build in creative &#127877; mode using 32 available blocks. The game has a mult  
iplayer feature so you can play with up to 8 friends.</p>  
<p>History</p>  
<p>Minecraft &#127877; was first released to the public on 17 May 2009. T  
oday it is published in the exact state of its &#127877; initial release. This  
means that there are only 32 blocks that you can build with, and all the origina  
l bugs &#127877; are in there! So if you are used to the latest version, it can  
be quite a shock to see &#127877; how the game has evolved. To quote Tom Stone  
from Mojang &quot;With just 32 blocks to build with, all the &#127877; origina  
l bugs, and an (inter)face only a mother could love, Minecraft 2009 is even more  
glorious than we remembered!&quot;</p>
