Playtech live German roulette is streamed from their

studio at Riga, Latvia, and is actually the same live roulette Playtech &#12852

2; offers in other languages. The game played is a single-zero European roulett

e, as is the case with all providers listed &#128522; here.

The general ambiance of the studio is dark and has a modern feel which

the other providers don't offer. I &#128522; am quite keen on the overall moder

n feel, but not so much the darkness. However over longer playing sessions, it &#

128522; does not tire your eyes, so that's a plus.

The camera changes angles during the spin, with closeups of the roulett

e &#128522; wheel given priority. When the ball is about to drop the camera zoo

ms in so you can see the result &#128522; as it happens.

The playing interface provides more player tools than other providers.

This might make the difference for you, so &#128522; do try out Playtech German

live roulette to see how it feels.
