A somewhat droll campaign

will greet players of Modern Warfare II. It's a short bombastic

romp with some fun gunplay moments and fantastic graphics. The multiplayer, however, is a miss as it is no longer a properly combined entity and the

lack of replayability is disappointing.

Despite a few niggles, Modern Warfare 2 is a real

return to form for Call of Duty. A masterfully crafted multiplayer experience and an excellent campaign mode that pays homage to its predecessors while

simultaneously feeling like its own thing come together in one of the best big budget shooters for years.
