Cat's Party is a physics-based skill game where you're a cat alone in the dark city trying to make its way to the safety of other feline companions. There's a cat party at the rooftop and your job is to reach it. Drag and release your cursor or finger to send the cat flying up. Hold on to windowsills, platforms, pipes, and basically anything you can latch on to - and jump higher! Be careful, though, because you can lose your life if you fall. It's a fun and challenging game that's perfect for cat lovers and gamers alike. You can play it on your PC, Mac, or mobile devices. It's available on the App Store and Google Play. You can also play it on your PC. It's a free-to-play game with in-app purchases. You can also play it on your PC. It's a free-to-play game with in-app purchases. You can also play it on your PC.
