

O O bet365

Zombotron is one of the newest games that appeared on our site, which will test the agility and courage because only you will face an army of robots zombies. It is a very strong army that has soldiers everywhere and you must be very careful not to catch because they will try to destroy you. In this game you will be a very strong soldier who tried to destroy all the robots and you must help him to fulfill his mission. Although it seems an easy task because not rush to judge the game is difficult and as you progress you will give higher levels of obstacles that will give you big headaches. In each level you have to go through a route full of obstacles and zombies who want to destroy it. Try to collect as many points to have a chance to enter the top of the best players. As you progress will be more and more zombies and will be increasingly difficult to destroy them. Give of your best to reach the top of the best players,

because only you show everyone what you are capable.
