óA revista "Brasileirão Ozzo" Recently

, wrote an article about the biggest derby in Minas Gerais, the "Cláss

ico Mineiro," disputed between 🍏 Clube Atlético Mineiro and C

ruzeiro. The rivalry has its origins in the 1920s, when both teams were founded,

and is 🍏 considered the second-most popular derby in Brazil, behind Co

rinthians x Palmeiras.

The main disputes between these two teams began years after 🍏

Cruzeiro, originally named Sociedade Esportiva Palestra Itália, was founded

in 1921. However, it was in the 1940s that the rivalry 🍏 strengthened

and became the largest derby in Minas Gerais, rivaling any other football compet

ition in the state during the 1960s.

At 🍏 the time being, Atlético competes in several sport m

odalities; however, it has an excellent historical record in football, providing

the 🍏 most international-class players of any football club from Minas

Gerais. In contrast, Cruzeiro, which holds the largest number of national

823; football titles, is considered the second most popular football club in Mi

nas.

It's interesting to mention that even though both teams 🍏

hold a historic rivalry in football, a study reveals that each team has unique f

an characteristics. Atlético fans are predominantly 🍏 males (76%)

from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience:

with more than 50% of fans being female 🍏 and having a prevalence of i

ncome ranging from middle (32%) to high levels (28%).

La Rivalidade Entre el Dinero Y El 🍏 Glorioso
