Our assortment of war games puts you in control as commander-in-chief. Take charge and lead your group into the battlefield right away, or train your troops to prepare for full-scale war! Our challenges come in a variety of formats, from direct, troop-to-troop fighting, to turn-based RPG style, in which you'll plan your attacks and launch weapons at will. Go to battle in prehistoric times, fight outdoor on famous grounds, or even go to war in modern times; in several challenges, you can even control a modern gang and fight rivals in a virtual city!

Simple controls are an integral part of our war games, meaning you'll have no trouble leading your army into battle. Most war challenges feature picture buttons and icons which are easy to understand and simple to use. When going into battle, the commander must be prepared, and our battlefield games will brief you and give tips along the way. Within seconds, you'll be able to fight with swords and shoot from tanks with ease. In our battle games, you can lead your troops through a dangerous desert, across frosty fields, or even through a war-torn city!
