

fluminense e milionarios palpito

Twister moves dance game appeared in 2004. A clever take on standard Twister, Twister moves allows four opponents to show their dance skills on four separate dance mats, each adorned with non-traditional Twister color spots. [Twister moves - Hasbro, Inc. - Google Arts & Culture](#)

Each player places one foot on the yellow circle and the other foot on the blue circle closest to his or her end of the mat. The third player faces the center from the red-circle side of the mat, placing one foot each on the two middle red circles. [Official Twister Rules](#)
