Having a plan while trading is very important. Assuming you'll be one of the profitable ones, it's likely take six months to a year trading/practicing every day until you are consistent enough to pull a regular income from the market. If you make money in

the first couple months it's likely pure luck.

learn : how-long-does-it-take-become-a-successful-trader

Many people put in multiple years before breaking into consistent (or even any) profitability. It takes

at least a year to consistently make money from day trading or swing trading, if working at it full-time or with a mentor, and only working one (maybe two) strategies. Six months is the quickest; most take longer.
