🎮 Stunt Master🎮

🎮

We are now welcoming you all to the third and final new game we are providing you all 🫰 today into the Friv 2024 Games category, where we always love bringing you new content, especially if, such as this 🫰 time, we are talking about awesome car games, which is what this game called Stunt Master is, and which we 🫰 are positive you are going to be enjoying a lot, just like we are very happy to say that we 🫰 have, which is why we thought of offering you this game in the first place. We will proceed by explaining 🫰 what you do in it, after which you are bound to have no stress at all about playing it. Well, 🫰 you are going to be able to be a running man, a bike bandit, or a mustang mayhem. You are 🫰 going to use the up arrow key to go, and the space bar to jump, do a wheelie, or activate 🫰 nitro, depending on the situation. Try to do all of the stunts required from you in each level in order 🫰 to pass it. You get extra points if you break stuff, break bones, hit targets, or go airborne. Good luck 🫰 to you, as you will need it, and we won't wish you fun, since we already know that you are 🫰 going to have it nonetheless!
