 Famed movie critics Gene Siskel and Roger Ebert hated the Friday the 1

 twist ending of Friday the 13th in his written review to deter people from seei

 The original Friday the 13th,
 <span>while iconic</span>, feels like a film student movie rather
 than one for general audiences. At its best, it will have audiences sitting on t
 he edge of their seats admiring gore, but the majority of the film seems dedicat
 ed to nothingness like a neorealist film.</div></div></div></div></div></div>
