&lt;p&gt;It's a really good game it's fun to play and entertaining I like this game because you couldn't make sure the sound and there's no sound without loading up your device or lowering it so what I would like to say is that they should get quite a bit of an upgrade and stop telling you to continuously get something because during the run because you'd be focusing on your high score instead of something else as it's really distracting and takes up a lot of your time during the run as in addition I would like to say that there is quite a couple of good things about this because you can watch an advert if you wanted to you to get the daily rewards are really rewarding and you can get a lot of keys which would help you speed up one thing I do not like about this game is how the speed goes up as you run fast I guess that's all the cons and all the pros Plus there's a lot of kind of thing you'd get five of something and you get is money and in the money the randomising money thing is that you didn't after 10,000 coins right but usually it is 1000 coins and below which is kind of really random because it's frustrating as I'm trying to get a lot of money which would help if you'd allowed us to get a lot of money in a certain time not just 1100 or 200
