<p></p><p><p>A tweet from Phil Spencer, Microsoft Gaming s CEO, r
ead: We are pleased to announce that Microsoft and @PlayStation have signed 🔔 a binding agreement to keep Call of Duty on PlayStation following the acquisition of Activision Blizzard. We look forward to 🔔 a future where players globally have more choice to play their favorite games. </p>
<p>In the United States, the FTC had argued 🔔 the acquisition deal would hurt consumers whether they played video games on consoles or had subscriptions because Microsoft would have 🔔 an incentive to shut out rivals like Sony Group.</p>
<p>However, Judge Jacqueline Scott Corley ruled on 11 June: The FTC has 🔔 not shown it is likely to succeed on its assertion the combined firm will probably pull Call of Duty from 🔔 Sony PlayStation, or that its ownership of Activision content will substantially lessen competition in the video game library subscription and 🔔 cloud gaming markets. </p>
<p>To address the FTC s concerns, Microsoft had agreed to license Call of Duty to rivals, including a 10-year 🔔 contract with Nintendo, contingent on the merger closing.</p>
<p>On Sunday, Microsoft did not disclose the duration of the agreement with Sony.</p>
