<p>Share</p>

<p>Four Colors lets you play the popular card game for free in your web browser. The aim of the game &#128180; is to be the first player with no cards, similar to other Crazy Eights style card games. Play a game &#128180; like UNO in multiplayer with 2, 3, or 4 players.</p>

<p>How to Play Four Colors</p>

<p>There are various strategies you can use &#128180; to maximize your chances of winning at this multiplayer UNO-inspired game. The main principle is to get rid of all &#128180; your cards before everyone else. You can do that by matching the color or number of the card placed down &#128180; before yours. If you don&#39;t have a playable card, you must draw cards from the pile until you do.</p>

<p>When you &#128180; have one card left, press the &quot;1&quot; button, otherwise you will be punished with two penalty cards!</p>
